Dear Valued Customers,

The Golf Club of Indiana would like to thank you for playing at our facility in the recent past. Each new golf season is always exciting to us and we look towards 2009 with eager anticipation. Over the past 35 years, the Golf Club of Indiana has proudly hosted many highly regarded tournaments including the PGA Tour Qualifying School. Jack Nicklaus, upon visiting our course, stated that the Golf Club of Indiana is "as nice a facility as I've seen in the country to come out and play daily fee golf."

It is our intention to provide the best value in the Indianapolis area. Even though we feel we have succeeded in achieving our goal, we are always striving to do more for our customers. We are excited about making your golf experience at GCI an enjoyable one and have many new exciting opportunities available:

- **Cardinal Club Package** – Our wonderfully successful program allows you to purchase rounds in advance for a discount. Please select a level that fits your needs with savings of more than \$900.00 for a Titanium pass. Also, if you know of any companies that may want to purchase the Cardinal Club Card, run the program by them, and if they purchase the card, **you keep the gift certificate for yourself!!!**
- **Brian Kirk Golf Schools** – Group Clinics, Team Building and lessons.
- **Tournament Club & Membership Packages** – Check out our membership packages or join our enjoyable Tournament Club with 7 tournaments during the season. We encourage players of all skill levels to participate in our handicapped or flighted tournaments. Whether it's your first tournament or you are a seasoned veteran, the name of the game is fun at The Golf Club of Indiana. <http://www.golfindiana.com/specials.htm>
<http://www.golfindiana.com/membership.htm>
- **New Golf Carts** – A New Golf Cart Fleet has been purchased for your enjoyment in 2007.
- **GPS System** – Come see our new GPS units...free to our golfers. The unit will allow you to see the distances to the green and the distances to water hazards, bunkers, etc. Also on the unit is a CBS Sportsline ticker that will allow you to receive up to the minute scores of your favorite team throughout your round. If you know of anyone that might be interested in advertising on the GPS unit for the 2010 season, please give Jeff a call.

We want to give back to our loyal customers by announcing our new rewards program for 2010. Upon your next arrival, please let us know if you would like to sign-up for our GCI rewards program. Purchasing rounds of golf, merchandise, or range balls will count towards your point total. Redeem your points for free rounds of golf or free range balls.

Present this e-mail before your next round at the Golf Club of Indiana and your Golf Cart for the round will be at no charge OR purchase either the Tournament Club or Cardinal Club Card package and receive a free round of golf.

Thank you for a successful 2009 and we look forward to seeing you in 2010,

Jeff Rubenstein
